

Open Enrollment 2009

Open Enrollment packages were sent out the first of November so that you have the month to review all your benefits and obtain all necessary forms needed for your benefits for 2010. **You should have already received your benefit packet.** If you have questions or you haven't received your benefit information yet, contact Human Resources immediately.

You must turn in your completed form to Human Resources by 11/30/09 regardless if you are changing benefits or not.

Time is running out! You must have your completed paperwork returned to us by **November 30, 2009!**
